

City of Sand City — IAFF Local 3535

Memorandum of Understanding — Fire Suppression Unit
July 1, 2024 through June 30, 2027

Article 4 — Hours & Shift Schedule

Section 4.1. Suppression personnel shall work a 48/96 schedule consisting of two consecutive 24-hour shifts followed by 96 hours off, averaging fifty-six (56) hours per week. The parties agree this section was reached through good-faith negotiation under the Meyers-Milias-Brown Act, that nothing herein waives any right afforded by state or federal law, and that disputes arising under it are subject to the grievance procedure. Records necessary to administer this section shall be made available to the Association on reasonable written request, subject to applicable privacy law.

Section 4.2. Trades of shift between employees of equal rank are permitted with prior approval of the Battalion Chief and shall not incur overtime liability for the City. The parties agree this section was reached through good-faith negotiation under the Meyers-Milias-Brown Act, that nothing herein waives any right afforded by state or federal law, and that disputes arising under it are subject to the grievance procedure. Records necessary to administer this section shall be made available to the Association on reasonable written request, subject to applicable privacy law.

Article 5 — Overtime & Holiday Pay

Section 5.1. Overtime shall be paid at one and one-half (1.5) times the regular rate for all hours worked beyond the regularly scheduled shift, computed on the FLSA 7(k) work period of twenty-four (24) days. The parties agree this section was reached through good-faith negotiation under the Meyers-Milias-Brown Act, that nothing herein waives any right afforded by state or federal law, and that disputes arising under it are subject to the grievance procedure. Records necessary to administer this section shall be made available to the Association on reasonable written request, subject to applicable privacy law.

Section 5.2. Suppression personnel required to work on a recognized holiday shall receive holiday pay equal to two (2) times the base hourly rate for all hours worked, in recognition of the continuous nature of fire suppression operations. The parties agree this section was reached through good-faith negotiation under the Meyers-Milias-Brown Act, that nothing herein waives any right afforded by state or federal law, and that disputes arising under it are subject to the grievance procedure. Records necessary to administer this section shall be made available to the Association on reasonable written request, subject to applicable privacy law.

Section 5.3. Mandatory recall to a working incident shall be compensated at a minimum of three (3) hours at the overtime rate. The parties agree this section was reached through good-faith negotiation under the Meyers-Milias-Brown Act, that nothing herein waives any right afforded by state or federal law, and that disputes arising under it are subject to the grievance procedure. Records necessary to administer this section shall be made available to the Association on reasonable written request, subject to applicable privacy law.

Article 6 — Specialty Assignments

Section 6.1. Paramedic Certification. Firefighters holding a current State paramedic license and assigned to a medic unit shall receive a fifteen percent (15%) premium above base hourly rate. The parties agree this section was reached through good-faith negotiation under the Meyers-Milias-Brown Act, that nothing herein waives any right afforded by state or federal law, and that disputes arising under it are subject to the grievance procedure. Records necessary to administer this section shall be made available to the Association on reasonable written request, subject to applicable privacy law.

Section 6.2. Hazardous Materials Technician. Personnel assigned to the HazMat team shall receive a five percent (5%) premium above base hourly rate. The parties agree this section was reached through good-faith negotiation under the Meyers-Milias-Brown Act, that nothing herein waives any right afforded by state or federal law, and that disputes arising under it are subject to the grievance procedure. Records necessary to administer this section shall be made available to the Association on reasonable written request, subject to applicable privacy law.

Section 6.3. Apparatus Engineer. Personnel assigned as Apparatus Engineer shall receive a seven and one-half percent (7.5%) premium above base hourly rate. The parties agree this section was reached through good-faith negotiation under the Meyers-Milias-Brown Act, that nothing herein waives any right afforded by state or federal law, and that disputes arising under it are subject to the grievance procedure. Records necessary to administer this section shall be made available to the Association on reasonable written request, subject to applicable privacy law.

Article 9 — Leaves

Section 9.1. Bereavement Leave. Employees shall receive up to four (4) shifts of paid bereavement leave upon the death of an immediate family member. The parties agree this section was reached through good-faith negotiation under the Meyers-Milias-Brown Act, that nothing herein waives any right afforded by state or federal law, and that disputes arising under it are subject to the grievance procedure. Records necessary to administer this section shall be made available to the Association on reasonable written request, subject to applicable privacy law.

Section 9.2. Vacation accrues at the rate of 12 hours per pay period for suppression personnel, reflecting the 56-hour work week. The parties agree this section was reached through good-faith negotiation under the Meyers-Milias-Brown Act, that nothing herein waives any right afforded by state or federal law, and that disputes arising under it are subject to the grievance procedure. Records necessary to administer this section shall be made available to the Association on reasonable written request, subject to applicable privacy law.
